Goals & Purposes

The Caribbean-American for Community Involvement in Florida, Inc. (CAFCI) was incorporated in Palm Beach County, Florida. The primary purpose and objectives are to create an atmosphere and sponsor events that lead to respect and mutual understanding among the ethnic groups in our community. To seek out, recognize, and support persons of Caribbean ancestry residing in the region; to encourage involvement with other groups, spearheading projects that are likely to improve the quality of life in the community at large; to promote and/or positively respond to multicultural events which complement our efforts and enhance our objectives and values; and contribute to educational and humanitarian needs as warranted.

Message FROM CAFCI'S PRESIDENT

On behalf of the Board of Directors, it is my immense pleasure to welcome you to CAFCI's 35th Annual Friendship Ball. Tonight, we celebrate friendship, fellowship, our Caribbean heritage, and another year of meaningful service to our community.

A YEAR OF SERVICE AND ACHIEVEMENT

2026 has been a productive year for CAFCI. We continued our support of community events, including our Dr. Martin Luther King, Jr. Day Celebration and Cultural Diversity Day, bringing people together through culture, education, music, and fellowship. Our Members and Friends Picnic at Okeeheelee Park provided another opportunity for members and families to reconnect and celebrate the spirit of friendship that is at the heart of CAFCI.

One of our proudest accomplishments remain our commitment to education. Through our Student Assistance Fund Program, we once again provided financial support to deserving students pursuing higher education. Every award represents an investment in a young person's future and demonstrates that CAFCI believes in the power of education and opportunity.

We also continued our support of youth development, community service, and programs that encourage leadership and civic responsibility.

STRENGTHENING OUR COMMUNITY

CAFCI remains committed to building strong relationships throughout Palm Beach County. We were proud to once again participate in the orientation of newly recruited international teachers, many from the Caribbean, joining the Palm Beach County School District. Welcoming these educators allows us to share our culture, offer encouragement, and strengthen the connection between our Caribbean community and the broader community we serve.

Our humanitarian efforts, including our continued involvement in Caribbean hurricane relief, have also demonstrated the importance of partnership and compassion. Collaborating with other community organizations, we have been able to provide meaningful assistance to those facing difficult circumstances.

LOOKING AHEAD

As we look toward the remainder of 2026 and into 2027, CAFCI will continue to strengthen our membership, expand our fundraising efforts, support educational opportunities, enhance our community partnerships, and encourage greater participation from our younger generation.

Our goal is not simply to preserve the accomplishments of the past, but to build upon them and prepare CAFCI for the future. We want to develop new leaders, welcome new members, and ensure that the values upon which this organization was founded continue for generations to come.

WITH GRATITUDE

I extend my sincere appreciation to our members, volunteers, Board of Directors, committee chairs, sponsors, donors, and community partners. Your time, talent, generosity, and commitment make CAFCI's work possible.

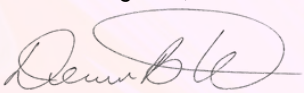

We also extend our heartfelt congratulations to our 2026 Citizen of the Year, Genieve White, in recognition of her outstanding volunteer service and dedication to our community. Her willingness to give of her time, talent, and energy exemplifies the spirit of service that CAFCI celebrates and encourages.

As we celebrate this evening, let us remember where we came from, appreciate where we are today, and remain committed to where we are going.

Together, let us continue to serve, strengthen our community, celebrate our Caribbean heritage, and create opportunities for the future.

Thank you for being a valued part of the CAFCI family. Please enjoy this evening of friendship, celebration, and fellowship.

Warm regards,

Dennis Wright

CAFCI 2026

Outstanding Citizen of the Year

GENIEVE M. WHITE

Born in Hanover, Jamaica, Genieve is the eldest daughter of Milton Streete and Louise Tatham Clarke. She was raised in a large and loving family with strong roots of encouragement for each other and their community, most of whom were extended family members. It is this family foundation which brings her great joy, pride and love, not only for her children and grandchildren but also for her extended family, friends and the community. It is because of her love for the community why we say, "she has never met a stranger."

Genieve attended Montego Bay High School and during those years lived with her Aunt Fan. After completing high school, she moved to Kingston where she attended Fitz Henley Commercial School. In Kingston she lived with her Aunt Fay, who being closer in age, was more like an older sister. While in Kingston, Genieve got married to Keith White, started her family, having two sons (André and Paul) and two daughters (Nadine and Thalia). A few years later, Genieve moved with her family to Byndloss, St. Catherine to enjoy the "country lifestyle".

Upon moving to St. Catherine, Genieve worked as a bookkeeper and computer data processing clerk at Jamaica Citrus Growers. Soon afterwards, as she was inspired by her grandfather and other family members, Genieve had a desire to start her own business. Genieve and her then husband, Keith, opened White's Trading Company in Linstead, selling school supplies, stationery, home and personal care products, and later expanding to opening a print shop. White's Trading Company, with Genieve as the captain of the ship, was not just a business, it afforded Genieve the opportunity to provide resources to support the local schools such as Ewarton Primary, Linstead All Age and Dinthill Technical High School. With a strong belief in education for all and her connection with the community, Genieve gave of her time and finances to the school and students.

In Jamaica, in addition to her commitment to the schools, Genieve was active in Jaycees serving on several committees and on the board as well as serving as the President. She was also an active member of St. Helen's Catholic Church helping with the Boy Scouts and the Girl Guides organizations.

In 1987 Genieve moved to New York and then in 1989 to West Palm Beach, Florida. Upon moving to Florida, she initially worked at several financial institutions and then worked for 23½ years in the Traffic Violations Division of the Palm Beach County Clerk & Comptroller's Office, retiring as Coordinator. Retiring meant that Genieve had even more time to serve the community.

Genieve has been involved with CAFCI from its early years. The mission and culture of CAFCI aligned with Genieve's desire to be involved and engaged with her community. She has served on just about every CAFCI committee including the Annual Friendship Ball, Cultural Diversity Day, Finance, Home Of Our Own, Relay For Life Committees, the CAFCI's charter Boys and Girls Scout, as well as serving on the Board and as President. Genieve also works with and serves as President of the Vivian And Adrienne Ferrin Memorial Scholarship Fund which raises funds for graduating high school students.

Her life personifies one of service. In addition to CAFCI, she is committed to her church, Our Lady Queen of the Apostles, and its ministry. She also serves with Alliance - a compilation of 5 organizations which provides help to the islands during natural disasters; actively works with the Caribbean American Democratic Club of Palm Beach County, encouraging everyone to vote so that their voice can be heard - receiving the Club's Black History Month Leadership & Service Award in 2021. Genieve is also an enthusiastic member of the "Sugar & Spice" Red Hat Society which participates in the Samaritan's Purse, donating shoe boxes filled with toys and goodies shipped overseas at Christmas as well as monthly providing canned goods to the local food pantry.

Genieve always finds a way to ensure that everyone gets the joy of giving back to the community. She inspires and motivates others to give back by also planning and coordinating social events such as attending performances at the Kravis Center and other cultural venues to bring together people from all walks of life and the community.

As the "unofficial mayor of Royal Palm Beach" she is the go-to person for just about anything in the Royal Palm Beach Community. Her passion is to help and serve. If she cannot help you herself, she makes every effort and leaves no stone unturned to find someone or direct you to someone who can. Genieve's dedication in giving of her time, talent and treasures unconditionally, to her family, friends and the community embodies CAFCI's mission "to maintain and sustain the quality of life for the community, consistent with the culture and tradition of our diverse ancestral heritage".

Thank you, Genieve, for your support and commitment to CAFCI and the community at large.

A HOME FOR CAFCI

HOME OF OUR OWN: BUILDING TOWARD A PERMANENT FUTURE

One of CAFCI's most important long-term goals remains securing a permanent home for our organization. The greatest challenges continue to be the high cost of property and obtaining financing, as lenders typically require evidence of a consistent income stream before approving funding.

Over the past year, CAFCI pursued a two-pronged strategy to move this vision forward. We explored properties that offered owner-financing or lease-to-own opportunities while also evaluating business ventures that could generate additional income to support property acquisition efforts. Three potential property opportunities were investigated but were ultimately not pursued because of location or cost considerations. We also reviewed two business opportunities; one was not a good fit for our organization, and the other required specialized expertise and time that were not available at the time.

We extend our sincere thanks to Thomas Thornhill for the time, effort, and research he invested in identifying and presenting one of these business opportunities. His support and commitment are greatly appreciated.

Another option currently under consideration is the purchase of a larger commercial building with the ability to lease unused space to other tenants. We are seeking individuals with property management experience who can help evaluate the feasibility of this approach and assist in developing a plan should the right opportunity arise.

HOW YOU CAN HELP

You can support the Home of Our Own initiative by:

- Organizing a fundraising event for the project.
- Sharing information about available property, land, or facilities.
- Participating in the Buy-A-Brick Program.

To share ideas or property leads, contact Radcliffe "Woody" Brown at 561-791-3344 or email radcliffewoody@aol.com. For fundraising events, you may also contact cafci@bellsouth.net.

BUY-A-BRICK PROGRAM

We've made participation easier by offering monthly payment options:

- \$50 per month toward a \$1,000 brick
- \$150 per month toward a \$3,000 brick

For more information, visit the CAFCI website and select the "Home of Our Own" tab.

CAFCI's Home Of Our Own

STEWARDSHIP OF YOUR CONTRIBUTIONS

Funds designated for the Home of Our Own project are reserved solely to purchase property for CAFCI's permanent home. They are kept separate from operating accounts and are not used for lease payments or other organizational expenses.

Together, through prayer, participation, and financial support, we can continue moving closer to a permanent home that will strengthen CAFCI's mission and serve future generations.

CAFCI Honors Students at 33rd Student Assistance Fund Awards Ceremony

Benjamin Franklin said, "An investment in knowledge pays the best interest." Thanks to donations from our members and supporters, the Student Assistance Award Committee of Caribbean-American for Community Involvement in Florida, Inc. (CAFCI) gave awards to 18 outstanding Palm Beach County high school seniors at its 33rd Annual Student Assistance Fund Award Ceremony on June 13, 2026.

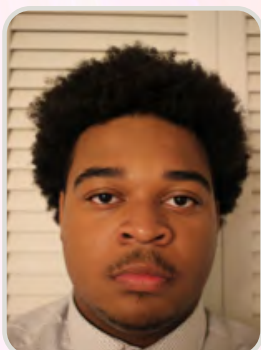

The students received Student Assistance Fund awards for educational excellence in the amounts of \$1,500 (named awards) or \$1,000.00 (CAFCI Awards). In keeping with the theme of the event, "Empowering Youth & Investing in our Future," CAFCI members and supporters can be justifiably proud that the organization has donated over \$297,500 to 273 Palm Beach County high school seniors since the inception of the Student Assistance Fund initiative.

Your help, your donations, your support DO matter, and you DO make a difference that is much appreciated! CAFCI members continue to fulfill the mission and vision of the organization as they tirelessly strive to have a positive impact in the community. In the words of inspirational writer, William Arthur Ward, "Do more than belong: Participate. Do more than care: Act. Do more than believe: Practice."

37th Anniversary

Congratulations to CAFCI, the Charter Organization for Scouts BSA Troop 111 on the occasion of your 37th anniversary. Troop 111 has a long standing relationship with CAFCI dating back to the very beginning of our youth organization.

Through the years, CAFCI has supported our scouts by providing opportunities to earn community service hours at various events like the Dr. Martin Luther King, Jr. Celebration, Cultural Diversity Day, VAFMSF Tea Party and VAFMSF Backyard BBQ. We are always thrilled when CAFCI members attend our Court of Honor Award Ceremonies to offer support, acknowledge our accomplishments and encourage us to continue to strive for excellence in Scouting.

This relationship and friendship we share has also made it possible for so many of our youth to achieve the highest rank in Scouting, the prestigious Eagle Rank. Our Eagle Scouts have also benefited tremendously by being eligible to receive college assistance from CAFCI's subsidiary, The Vivian and Adrienne Ferrin Memorial Scholarship Fund. We are very grateful to CAFCI members who have supported our fundraisers making it possible for scouts to enjoy campouts, not just here in Florida but also out of state.

Scouting is a highly respected national organization that is viewed positively by a large majority of people. The activities that Scouts participate in are seen as beneficial to the community. The values instilled by The Scout Law represent the highest ideals of God, country and self. These are the same values exemplified by CAFCI as the model of excellence provided to their youth organizations.

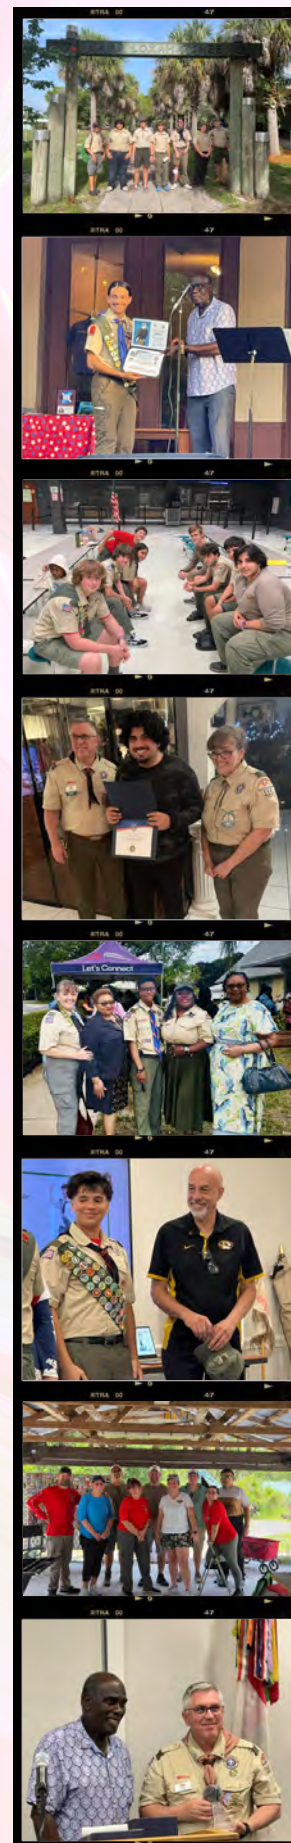

We hope that this vital relationship between CAFCI and Troop 111 continues to be nurtured through the years to come so that existing and new scout families can benefit from the remarkable dedication and support CAFCI offers.

Again, we are thrilled to congratulate CAFCI, our amazing Charter Organization on their 37th anniversary. Your commitment to community service, fellowship, caring for communities here and abroad are but a few of the remarkable good works that CAFCI has done and continues to do.

At our weekly Scout meetings we recite the Scout Oath; "On my honor I will do my best to do my duty to God and my country and help other people at all times" to remind ourselves to be and do our very best at all times. These words also reflect the commitment made by CAFCI to do their best. Thank you CAFCI for chartering our Troop, offering your friendship, supporting us in the attainment of our goals and providing a true model of excellence in what you say and do for others! **CONGRATULATIONS!**

Respectfully yours,

THE VIVIAN & ADRIENNE FERRIN MEMORIAL SCHOLARSHIP FUND

A subsidiary of Caribbean-American For Community Involvement

It is our obligation to encourage, reach out and assist our youth in reaching their goals.

- Vivian Ferrin

Our Story ... Vivian and Adrienne Ferrin were founding members of Caribbean-American for Community Involvement (CAFCI) where they served on the Board and in many Committee capacities. Among the numerous contributions, under Vivian's leadership and Adrienne's service on the committee, the CAFCI Student Assistance Program was created which continues today. Their activism on various Village Boards, Hospital Boards, Advisory Councils and Non-Profit Organizations, led Vivian to an appointment to the Royal Palm Beach Village Council in 1998 and re-election in 1999, with Adrienne always as his right hand. The Caribbean community is very proud of this trailblazer, for he is one of the first Jamaicans to hold political office in South Florida. In May, 2006 the Village of Royal Palm Beach dedicated a park "The Vivian A. Ferrin Memorial Park" in his honor. Vivian and Adrienne truly cared about their community and served with honor and integrity. "The best way to honor them is by emulating some of their virtues in our own lives, virtues such as a sincere caring for family, friends and the community.

The Vivian and Adrienne Ferrin Memorial Scholarship Fund (VAFMSF), a subsidiary of CAFCI, was created in 2004 to encourage and assist the youth in our community to reach their goals.
