PRESIDENT'S MESSAGE

Dear Members and Friends of CAFCI,

ANNUAL FRIENDSHIP BALL: Our 34th Annual Friendship Ball held on September 20, 2025 was once again a night to remember. It brought together friends, families and community members for an evening filled with joy, dancing, and fellowship. This year's theme, *Bridging Generations: Celebrating the Past, Present, and Future of Community Service*, truly came alive as we honored our history while looking forward with optimism. The entertainment was vibrant, the atmosphere welcoming, and the program flowed with the professionalism and warmth that CAFCI is known for. The feedback was very positive with most attendees saying that this year was the best; the food was appetizing; they liked the flow of the program and they loved the music.

A heartfelt thank you goes to the 2025 Friendship Ball Committee, chaired by Dennis Wright, with team members Paul Baker, Cindy Beckles, Barrington Berry, Thalia Lauren, Alvin Nembhard, Junette Powell, Audrey Smith, Hildreth Stoddart-Brown, Barbara Walker and Genieve White. Special thanks to those who worked on Sponsorship and the Journal: Nova Brown, Thalia Lauren, Caren Muir, Junette Powell, Hildreth Stoddart-Brown and Genieve White; Public Relations and VIP: Cindy Beckles, Nova Brown, Barbara Walker and Nadine White-Boyd; Online Marketing and Promotions: Cindy Beckles, Nicole Johnson; Treasurer: Audrey Smith; Decorations: Cindy Beckles, Charmaine Henry, Jennifer Powell-Pittman and Hildreth Stoddart-Brown. Their dedication and teamwork made this year's Ball a tremendous success. We also extend special appreciation to our sponsors and supporters, whose generosity made the Ball possible and helped us continue funding scholarships and community programs. Look for full coverage and pictures of the Ball in the November issue of the newsletter.

BUSINESS AWARENESS: On Saturday, September 13, 2025, we hosted our Business Awareness Event, which had a wonderful turnout. Members and supporters came together to share information about their businesses, products and services. It was inspiring to see the talent and enterprising spirit within our community, and the event reinforced how much we can accomplish when we support one another. Thanks to all who made this event a success. Please see a list of participants and pictures elsewhere in this newsletter.

Please also mark your calendars for these upcoming events:

- **International Games Night - Saturday, November 8, 2025:** Our annual tradition returns at the General Membership meeting location. Bring your friends, family, and your favorite games! We will enjoy an evening of ethnic dishes, cultural sharing, and laughter.

CAFCI SCOUTS + TROOP 111

Hello CAFCI,

My name is **Kirill Montoya**, and I am honored to have been elected as the new **Senior Patrol Leader of Troop 111 in Royal Palm Beach**. Over the years, I have had the chance to serve in many different leadership roles within our troop, while also learning new skills through the BSA's rank advancement and merit badge programs. Now, I am excited to take on this new role and help guide our troop forward.

My goal as Senior Patrol Leader is to serve both our troop and our community while supporting other youth leaders as they grow. One of our scouts, Ethan Thompson, delivered a huge box of popcorn to a local Fire Department. These treats were purchased with donations given to Scouts during their popcorn sale fundraiser. Giving back to those who safeguard and serve our community is very important to our Scouts.

Ethan Thompson, Rivera Beach Firefighters

In regard to advancement, this month has already been very exciting! Three of our Scouts—Keenan Stack, Mohammed Almasoodi and Christopher Clarke—earned the rank of Eagle Scout. We are extremely proud of them and grateful for their example of hard work and dedication.

We also have many upcoming events that I'm looking forward to:

- **October 12, 2025** - Troop 111 will be helping Our Lady Queen of Apostles with unloading pumpkins in preparation for the Church Fall Festival.
- **October 25, 2025** - We will be volunteering with the Gulfstream Council and Pack 147 at the Spook-O-Ree Campout, a fun event with a Beetlejuice twist! This will be a great opportunity for Scouts to serve and have fun together.
- **November 2025** - Our troop will go on our annual Mystery Campout. No one knows the location yet, but we're all excited! This campout is a special tradition where we celebrate the Troop's birthday, build stronger friendships and enjoy new adventures.

I look forward to sharing future updates about our activities, accomplishments and upcoming events throughout my term. I am grateful for the opportunity to serve Troop 111 in this role, and I look forward to working with everyone as we continue to grow, give back, and live out the values of Scouting. Many thanks to CAFCI for always supporting our Scout goals.

Christopher Clarke,
Mrs. McKinney Clarke

OCTOBER... A Month of Celebrations & Awareness

COLUMBUS DAY | INDIGENOUS PEOPLE'S DAY October 13, 2025

COLUMBUS DAY is on the second Monday of October. It marks the anniversary of Christopher Columbus' arrival to America on October 12, 1492. He was an Italian explorer who took three ships the Santa Maria, Nina, and La Pinta and sailed across the Atlantic Ocean looking for a faster way to get to the Far East and by accident landed in the New World. The day celebrates the landing of Christopher Columbus's ships in the New World. Later in history another national holiday with old historic roots in America, Thanksgiving Day, was first celebrated in 1621 in Plymouth, Massachusetts by the early settlers who celebrated the work and sacrifice to have a good harvest.

States that don't celebrate Columbus Day: Florida, Alaska, Hawaii, Vermont, New Mexico, South Dakota and Maine don't celebrate the day. Iowa and Nevada do not have Columbus Day as an official holiday but mandate that the governor proclaim it by statute each year. California and Texas still recognize the day but it is not an official holiday where government workers get paid time off. There are also several cities around the country that do not celebrate the day and instead celebrate **Indigenous Peoples Day**.

INDIGENOUS PEOPLES' DAY -- Indigenous Peoples' Day is a holiday in the United States that celebrates and honors Indigenous American peoples and commemorates their histories and cultures. It is celebrated across the United States on the second Monday in October, and is an official city and state holiday in various localities. It began as a counter-celebration held on the same day as the U.S. federal holiday of Columbus Day, which honors Italian explorer Christopher Columbus. It is celebrated as an alternative to Columbus Day, citing the lasting harm Indigenous tribes suffered because of Columbus's contributions to the European colonization of the Americas.

CARIBBEAN FOLKLORE MONTH

CARIBBEAN FOLKLORE MONTH is an annual celebration that occurs every October, established in 2021 by the Caribbean Books Foundation to honor the rich traditions, myths, and legends of the Caribbean. The month highlights these stories, which are passed down through generations and reflect the region's diverse cultural heritage, featuring classic folk characters like Anancy, La Diabliesse, and Papa Bois.

Celebrations include online events, storytelling festivals, exhibitions, and featured books, often with a focus on preserving folklore for future generations.

8 THINGS TO KNOW ABOUT CARIBBEAN FOLKLORE MONTH, visit <https://islandoriginsmag.com/what-to-know-caribbean-folklore-month/>

BREAST CANCER AWARENESS MONTH is October. Breast cancer is the most common cancer globally with around 2.3 million new cases every year. It represents one in eight cancer cases in both sexes and a quarter of all cancers in women with 70% mortality occurring in resource constrained settings. Health system barriers and patient level factors with low levels of awareness and knowledge are contributing to low uptake of early detection services, with resultant late-stage diagnoses and poor outcomes. In many resource-constrained settings, breast cancer affects a relatively younger population significantly contributing to premature mortality and maternal orphans.

The World Health Organization (WHO) launched the Global Breast Cancer Initiative (GBCI) in 2021 to reduce mortality rates by 2.5% per year by 2040 to save 2.5 million lives through three key pillars of action on health promotion for early detection, timely diagnosis; and comprehensive breast cancer management. The breast cancer awareness month (BCAM) is celebrated globally every October to create awareness about breast cancer. This October we will highlight the importance of early detection, timely diagnosis, comprehensive treatment and the need to provide support for persons with lived experience including through patient navigation. It also provides an opportunity for all stakeholders to review progress, reflect and renew commitments in tackling the disease and to build momentum to address the existing disparities and challenges in access to breast cancer care.

BUSINESS

Our current objective is to have the community funding organization provide us with a Letter of Interest or credit so that when another opportunity comes our way we have a funding source to supplement our available funds.

Last month we made an appeal for someone with the necessary knowledge, experience and skill to assist us with the planning, set up and operation of a business to provide income to assist in paying off a mortgage.

Other options under consideration include the possibility of purchasing a large commercial building and subletting some of its spaces. To that end, we are also looking for someone with property-management experience to assist us in determining the feasibility of this option.

If you are able to step in and assist, or know of anyone who can, please contact Radcliffe “Woody” Brown at 561-790-4002 or 561-791-3344 and leave a message. You can also send an email to cafcibellsouth.net.

*Participation in the **Home of Our Own** project is available through the Buy-A-Brick program. Visit the web page at www.cafcipbc.org and click on the “Home of Our Own” tab or call Radcliffe “Woody” Brown at 561.791.3344 for more information. We have made it easier to take part in the program by facilitating monthly payments to buy a brick. Monthly payments of \$50 for a \$1,000 brick and \$150 for a \$3,000 brick are available.*
